

SAINT MARK CATHOLIC ACADEMY

A Guiding Light in Sheepshead Bay

June 14, 2023

Dear Families:

As we get closer to the end of the school year, we begin to celebrate different milestone events. Today was the step-up ceremonies for our kindergarten classes. In the coming days, we'll also see our 3K and Pre-K students step-up, and on Friday our eighth graders will graduate.

All of these celebrations and events are wonderful opportunities to recognize the hard work of both our youngest students and our oldest students, but what about those “in between”—the students in grades one through seven? They don't step-up or graduate. There's no special ceremony for any of them, so my letter today is for the 250 or so students who don't have any ceremonies to participate in...

Congratulations to all of you! The work you have done this academic year may not be recognized with a special event or ceremony, but that doesn't make it any less significant or important—you have indeed accomplished something. You studied...you did your homework...you took the tests...you did all that was asked of you and then some! Be proud of yourselves!

Some may say that our students in grades one through seven have been “promoted.” Take a second to think about that. When someone is good at their job, they get promoted. Maybe they get a bigger office or a bigger paycheck or a bigger title after their name; whatever it might be, what's for certain is that they're being recognized for their effort. Our students are no different; whether they're being promoted to second grade or to eighth grade, their hard work is being acknowledged!

So, to my students moving on to grades two through eight, you won't have any special ceremonies or parties. But know this: Your principal, your teachers, and your families are all very proud of you!

Sincerely,

Mr. Mark Wilson
Principal

ORDER YOUR CHILD'S SUMMER ASSIGNMENT WORKBOOK TODAY!

- These workbooks will be for students entering kindergarten through eighth grade.
- The workbooks range across multiple subject areas.
- These workbooks are specifically designed for use over the summer.
 - They're paginated and laid out, so students complete a little at a time.
- We have selected the workbooks, and families will purchase them directly from Saint Mark Catholic Academy.
- Some teachers may assign a summer reading book, in addition to the workbook. This is at their own discretion.
- You will receive a letter from your child's new teacher with specific directions and additional information about September.

THE COST OF EACH WORKBOOK IS \$12 PER CHILD.

TAR BEACH DAY!

Wednesday, June 21

What is TAR BEACH?

Tar Beach is an annual tradition at Saint Mark, when students from grades 1 through 7 gather in the school yard for some food, fun, and friendship! Students can dress down and bring in a towel to relax on our "tar beach." We play music and provide some fun games and activities.

Who participates in TAR BEACH?

Traditionally, grades 1 to 7 participate.

What is the cost of TAR BEACH?

We are asking for a donation of **\$20 per student**. This will cover the cost of the snacks and drinks.

We ask that you begin submitting your Tar Beach donation as soon as possible, but no later than **June 15, 2023**. We need time to purchase the snacks and drinks.

Please send in all Tar Beach donations in an envelope with your child's name, grade, and TAR BEACH written clearly.

If you have any questions, please contact the school office

Thank you!
